MAGI Medicaid Notice Information Sheet

- **Renewal received. Household ineligible for both MAGI Medicaid and Family Medicaid during the transition period.**

Send the N011 MAGI Medicaid denial notice (language provided in the toolkit) on the MAGI Medicaid case number. No need to send any notice on the Family Medicaid case number. Make sure the action is CANO'd on the FM case including a cross reference to the MAGI case number.

If eligible for Transitional Medicaid, send the M702 on the MAGI Medicaid case number. No need to send a notice on the Family Medicaid case number. Make sure the action is CANO'd on the FM case including a cross reference to the MAGI case number.

- **Need more information to determine eligibility for MAGI Medicaid**

Send the N020 on the Family Medicaid case number. If no notice is sent requesting information on the Family Medicaid case, we cannot legally close it because we did not request the information on that case. No notice is needed on the MAGI Medicaid case number. You must enter a CANO in the MAGI Medicaid case indicating that the request for information was sent on the Family Medicaid case.

If they do not provide information necessary to make a MAGI determination, close the Family Medicaid sending the appropriate closure notice (M401), adding this information to the notice: **For health insurance please contact the Federally Facilitated Marketplace at www.HealthCare.gov or 1-800-318-2596. This action is also supported by Medical Assistance Manual section 5715 and federal and state regulations at 42 CFR 435.952 and 7 AAC 100.016.** No need to send any notice on the MAGI Medicaid case number.

If they do provide the information and are eligible for MAGI Medicaid, send the N011 MAGI Medicaid approval notice (language provided in the toolkit) on the MAGI Medicaid case number. No need to send a notice on the Family Medicaid case number.

- **No renewal received**

If a renewal form is not received, the Division must attempt to renew the case without the form. If the Division has enough electronic information to complete the renewal, it must do so. If there is not enough electronic information to confirm continued eligibility or income on file is not within 10% compatibility, the case must be closed.

Remember that if tax filer or dependent statuses are not known, the caseworker is to determine eligibility based on non-filer rules.
