

Important Upcoming Policy Changes

- The Work Number portal for SNAP is ending September 30, 2024. DPA is actively working to establish another connection to the Work Number that can be used for all programs. Another broadcast will be sent when access to the Work Number is restored.
- Due to a federal regulation change, food has been removed from the in-kind support and maintenance (ISM) calculation as of September 30, 2024. APA MS [440-1](#), [440-3\(A\)](#), [450-2](#), [450-3](#), and ADLTC MS [526\(D\)](#) will be updated in the next manual change.
- Effective October 1, 2024, if an SSI recipient is approved for Medicaid, we must automatically enroll them in QMB starting the month following the Medicaid approval. ADLTC [580\(A\)](#) will be updated in the next manual change.
- Starting October 1, 2024, the division is removing the wet signature requirement for paper applications, renewals, and forms. All programs will now allow for digital and handwritten signatures created on an electronic device (finger/stylus to screen). Typed signatures are not allowed for any program. Policy is currently revising important forms to allow for e-signatures. SB MS [310](#), APA MS [410](#), ADLTC MS [520\(A\)](#), ATAP MS [705](#), MAGI MS [806](#), and HAP MS [3000-2](#) will be updated in the next manual change.
- Due to a change in federal law, the age of those subject to the able-bodied adults without dependents (ABAWD) time limit is increasing to age 54. This new upper age applies to initial and recertification applications received on or after **October 1, 2024**. SNAP MS [602-4\(F\)](#) and [602-1\(L\)](#) were updated to include this information in the September manual change.
- The Tanana Chiefs Conference (TCC) will be expanding their Heating Assistance Program (HAP) service area to include Fairbanks, North Pole, and additional rural communities effective October 1, 2024. The new community listing is attached and HAP [Addendum A](#) will be updated in the next manual change.

Alaska is home to multiple Coast Guard bases including:

- ISG Kodiak
- Air Station Sitka
- USCG Juneau
- Marine Safety Unit in Valdez
- USCG Ketchikan

If Guard members live on base, in provided housing, they do not qualify. If they live off base, they may qualify and should be encouraged to apply.
