Decision Cycle Time is the average number of days from application date to decision date.
It only includes applications with an approval or denial decision.

Timely Benefit Issuance is ongoing cases whose benefits were issued by the regular run.
The Benefit Issuance report is run 45 days after the end of each month.

Decision Cycle Time is the average number of days from application date to decision date.
It only includes applications with an approval or denial decision.

Timely Benefit Issuance is ongoing cases whose benefits were issued by the regular run.
The Benefit Issuance report is run 45 days after the end of each month.
