

# WORK SERVICES HANDBOOK

*Department of Health and Social Services*

*Division of Public Assistance*

## **Please note:**

The Work Services Handbook is being updated to reflect the new Work Verification Plan and other policy changes.

Chapters of the Work Services Handbook currently under revision have been taken off of DPAweb. Each chapter will be posted to DPAweb as revisions are completed.

Please refer to the Work Verification Plan (posted on DPAweb) for activity definitions, required verification and documentation, and how to calculate the hours of countable activity.
